ABSTRACT

Developed as a forerunner to "Spell-Write: An Aid to Writing, Spelling, and Word Study," this student workbook includes words starting with each letter of the alphabet and spaces for students' words. The workbook also presents words related to 13 topics (including "colours," "numbers," and "my family") using both English and Maori words. (RS)

My Words was researched, developed and written by Cedric Croft and published by the New Zealand Council for Educational Research as a young writer's forerunner to *Spell-Write*. Peter Ridder was the production editor, Don King was responsible for illustrations and lettering, Denise Edwards undertook much of the analysis and prepared the manuscripts. Richard Benton provided the Maori vocabulary for pages 24-30.
